Policies:

- The tennis director will assign practice/drill groups primarily based on skill level.
- Cancellations for all private and group lessons should be made 24 hours in advance; otherwise, full charges for the lesson will be charged.
- All drills are payable in advance (the Friday before the first day of each session); otherwise, the client is charged the daily rate fee. We will be unable to allow participation in our program unless payment is made in advance. There is a 10% administrative fee for late payments.
- There is no prorating for drills. There are no exceptions to this policy.
- Make-ups will be held at the end of each session during the school year and on Fridays during the summer. The makeup dates for each session are posted on the price list.
- There is a \$25 administration fee for all returned checks.
- There is a \$20 non-member fee per session for each non-member player. This is billed and payable each session in advance.
- Payment for all programs must be paid in advance. We will not allow participation unless payment is made in full.
- We do not offer any cash/check refunds for no-show of drills due to sickness, change of plans, change of heart or dismissal of a client from the academy. If we deem your situation to be an extenuating circumstance, we will offer credit which is up to the discretion of the Tennis Director.

Levels:

PEE WEE:

This program is designed for kids ages 4 & 5 and focuses on kids having fun in a physical environment while improving each participant's motor skills.

QUICK START:

This program is designed for kids' ages 6 – 10. We focus on technique, introducing the world of 'rallying' to the participants, and getting the participants adept at playing tennis using the new Quick Start format. There is a beginner (L) and intermediate level (H).

FUTURES:

This program is designed for kids ages 8 – 14 and focuses on improving participants' rally skills, introduces tactics, and physical fitness in tennis. These kids have been identified by the teaching staff as "promising up and comers" with interest of developing their games for high performance tennis.

HIGH PERFORMANCE:

This program is designed for kids ages 10 – 18 who participate in tournaments, high school tennis, and focuses on the tactical, mental, and physical aspects of the game.
